- Teach your dog that if he wants something he must sit and remain seated to get it.
- Make him sit for a treat.
- Sit stay until his dinner is put onto the floor.
- Sit or Down and Down stay when there is someone at the door.
- Sit before you will let him out of doors to play.
- Sit at each curb before crossing streets.
- Down and Down Stay when you meet a friend on the street and want to chat a bit.
- Don't forget to make training fun for you and your dog.
